Workshop Topics

Training Session # 1

Loved, Liberated and Lifted

Through life's turbulent times we can take courage because of Christ's GREAT Love for us! We can walk in confidence and rejoice because we are free! And remain hopeful throughout the journey; anticipating our promised reward!

Presenter: Rev. Michael Lee
Associate Minister
Antioch Baptist Church
North Hills, PA

Training Session # 2

“Spiritual Apparel: Put Offs & Put Ons”

In The Emperor's New Clothes , the Emperor's obsession and pride about clothing apparel just might parallel our obsessions and pride about the spiritual apparel we put on and put off. You can choose to be like the emperor – deny the truth; or choose to work on putting on and putting off those things that shape you into the image of the Creator. Come to work!

Presenter: Rev. Robin Hinton
Associate Minister
Zion Baptist Church
Ambler, PA

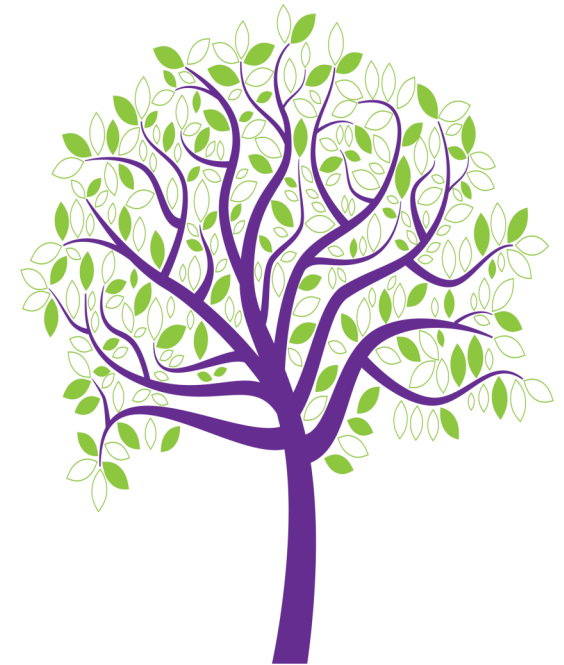

Workshop Topics, ctd.

Training Session # 3

“Breaking the Shackles in Your Mind”

The workshop aims to educate on the need to be in touch with and proactive about care for mental health; understanding the scriptural basis of caring for the mind; defining mental health, depression and anxiety, and the impact each has on those who are at war with it, and their loved ones.

Presenter: Rev. Benita Weathers
Associate Minister
Vision of Hope Baptist Church
Jenkintown, PA
